

# THE HORSEMASTERS

# APPLICATION FORM

The Horsemasters is proud to offer intensive summer camps for beginning through advanced riders at our Beavercreek location. These intensive, five-day riding courses offer a great opportunity for advancement in riding skills, horse care, and stable management for students of every age and level. Each day students spend hours on horseback, attend lectures by award-winning riders and horse specialists, and view demonstrations of particular techniques in riding and horse care. Students who choose to board at Horsemasters Farms during the program spend the evenings in group recreational activities.\*

Students who do not own horses will be assigned a school horse to care for and love throughout the program. This is an excellent educational experience for both novice and advanced horsemen and women.

\*If student is taking 2 consecutive courses they may stay over for additional \$50.00.
